

Anti-Social Behaviour

Bassetlaw District Council, in conjunction with Bassetlaw Community Safety Partnership have provided resources for an Anti-Social Behaviour Team. A team has now been established to enable a co-ordinated multi-agency response across the district in responding to reported cases of anti-social behaviour

Current work in reducing and preventing reported incidents of anti-social behaviour include:

- ▶ A total of 17 Anti-social behaviour orders in place
- ▶ Preventative work in partnership with local schools using Acceptable Behaviour Contracts (ABC'S)
- ▶ Use of surveillance equipment to assist in evidence gathering to supporting enforcement measures
- ▶ The team currently have 27 reported cases receiving a multi-agency response
- ▶ A computerised system has been established to recorded, and monitor reported incidents of anti-social behaviour

A local PCSO survey's graffiti found at a skate park.
