

M.A.C.S – Making all children safe

The M.A.C.S scheme started in 1999. During July 2005 over 582 year six pupils (from 28 schools) attended M.A.C.S week at Retford Fire Station. The event brought together seven different agencies that each provided an interactive message for the young people with the overall aim of promoting positive citizen ship and safety, including:

- ▶ Nottinghamshire Police,
- ▶ Severn Trent,
- ▶ Trading Standards,
- ▶ NCC,
- ▶ Health and Safety Executive,
- ▶ Nottinghamshire Fire & Rescue Service

For more information contact Retford Fire Station on 01777 706607.
